

### Milling technology

| Brand - Application          | Type             | Working range (mm) | Steel sheet (mm) | Location     |
|------------------------------|------------------|--------------------|------------------|--------------|
| DMG Mori CNC-Fräsmaschine    | DMC 60H linear   | 630x800x850        | 0,01             | Werk II HiW  |
| DMG Mori CNC-Fräsmaschine    | DMU125P duoBlock | 1250x1250x1000     | 0,005            | Werk II HiW  |
| DMG Mori CNC-Fräsmaschine    | DMF260/7 linear  | 2600x700x700       | 0,005            | Werk II HiW  |
| DMG Mori CNC-Fräsmaschine    | DMU 50 3rd       | 620x520x475        | 0,01             | Werk II HiW  |
| HERMLE CNC-Fräsmaschine      | U 740            | 490x290x350        | 0,01             | Werk II HiW  |
| HERMLE CNC-Fräsmaschine      | U 1130           | 1130x720x630       | 0,01             | Werk II HiW  |
| HERMLE CNC-Fräsmaschine      | B 300            | 600x450x450        | 0,01             | Werk II HiW  |
| TEKNA CNC-Profilfräsmaschine | TK 446/3         | 4000x360x295       |                  | Werk Kaplice |
| ELUMATEC Profilfräsmaschine  | SBZ140           | 7600x645x250       |                  | Werk Kaplice |

### Measurement

| Brand - Application              | Type                        | Working range (mm) | Steel sheet (mm) | Location    |
|----------------------------------|-----------------------------|--------------------|------------------|-------------|
| ZEISS 3D Koordinatenmessmaschine | ACCURA 12/2/10 Vast XT gold | 1200x2400x1000     |                  | Werk II HiW |
| HEXAGON 3D Messarm               | RA-7325-4                   |                    |                  | Werk II HiW |

### Other

| Brand - Application                      | Type        | Working range (mm) | Steel sheet (mm) | Location    |
|--|-------------|--------------------|------------------|-------------|
| Drehmaschine (nur für Ausbildungszwecke) |             |                    |                  | Werk II HiW |
| Ständerbohrmaschinen                     |             |                    |                  | Werk II HiW |
| KASTO Säge                               | micut E4.6  |                    |                  | Werk II HiW |
| OKAMOTO Flachsleifmaschine               | ACC65GX     |                    |                  | Werk II HiW |
| LORTZ Strahlmaschine                     | SIGG TR 110 |                    |                  | Werk II HiW |
| LORTZ Strahlmaschine                     | SIGG TR 140 |                    |                  | Werk II HiW |
